

# AIMS OF THE MEETING ON social inclusion and education in the performing arts

1. To give visibility to and highlight artistic creation in Spain in the performing arts and music focusing on social inclusion, while also promoting its professionalization, exhibition and dissemination.
2. To provide a platform for the professionals and artists working in this sector in Spain and in other countries, and to make known the projects of artistic excellence and the tools and methodologies that are being successfully developed for social inclusion in the performing arts and music.
3. To promote inclusive education in the performing arts and music from the point of view of artistic practice and creation.
4. To encourage the setting up of channels for institutional collaboration and commitment that will foster the dissemination of inclusive performing arts and music, promoting access to them and helping them to become consolidated in production and exhibition circuits as well as in education.
5. To position the Meeting as the nationwide travelling platform for professionals working in the field of social inclusion and performing arts education in Spain.
6. To be the point of reference in Spain for foreign professionals and the annual event for sharing information and disseminating artistic and management projects; a platform for international projects and professionals in Spain, and for promoting and disseminating projects generated in Spain among the foreign professionals attending or collaborating in the Meeting.
7. To treat difference as a cultural asset and to develop the social impact of music, theatre, dance and circus.
8. To create awareness and encourage engagement on the part of creators, managers, companies, communities, groups and experts, in Spain and elsewhere, so that they collaborate with, or for, people at risk of social exclusion or with different abilities. To ensure that social inclusion projects are covered by artistic management on the part of the institutions and organisations that work in the performing arts and music in Spain.
