<b>Description of the project</b>	
Action, Measure in the framework of „Europe for Citizens” Programme	Strand 1: European remembrance
Timetable of the project	September 2019 - February 2021
Short description of the project, including its aims	“Fall to Rise” is a multilayer project build around the idea of bringing European history into young Europeans lives. Exploring parallel events in Central and Eastern Europe at the time of Berlin wall’s fall, the project aims to highlight turning points in history that make core values as democracy, solidarity and equality possible in today’s Europe. Main objectives are provoking intercultural and intergenerational dialogue and making young people active participators in remembrance of key facts from the common past by using contemporary tools as video, social media, interactive online and offline activities.
