Name of the organisation	WISER
Registered address (street, city, country)	Riga, Latvia
Telephone / Fax	0037128665444
Website of the organisation	https://wiser.home.blog/
Name of the contact person	Madara Lazdina
Email/Telephone of the contact person	madara.lazdina@gmail.com
Short presentation of your organisation (key activities, experience)	<p>WISER is a group of individuals who are joined together to make world a better place. We have created more than 50 portraits of old people, did 3 exhibitions in Latvia and England. We believe that uniting generations and having deep conversations between them is a massively important step to improve the life quality for everyone. We want it to become a worldwide movement and collect all the stories on the web-page and also books.</p>
Description of the project	
Action, Measure in the framework of „Europe for Citizens” Programme	Strand 1. European Remembrance
Timetable of the project	02.2019. - 07.2020.
Short description of the project, including its aims	<p>Interviews with elders who has experienced war and all the political regimes. Their memories, experience and stories. Joining generations – younger people interviewing elders, photographers making portraits. As a result – exhibition in Latvia and hopefully at partners country.</p> <p>This is an art and research project which unite generations, encourage to have deep conversation by asking questions to unreasonably forgotten source of wisdom in this digital era: people who have lived, experienced and understood. This is a call for leisurely conversation during which the portrait in four dimensions is created – photography, interview, handwriting sample and</p>

	voice record. Idea is to create a wide collection of portraits from all over the world involving portraiture photographers and supportive, enthusiastic people.
Role of the partner organisation in the project	Creating portraits for the project and exhibition following the manual provided later.
